Agenda Overview: Final TU1402 Workshop

Aims and objectives

The aim of the Final TU1402 Workshop is the progress of the TU1402 deliverables towards completion. For this aim, the achievements and results of the individual Working Groups will be collected in factsheets, presented and discussed. A joint plan and organisation for the deliverable finalisation will be developed.

The Final TU1402 Workshop further aims at the

(1) Preparation of the Final TU1402 Report and Final TU1402 Conference,
(2) Progress towards finalisation of the case studies,
(3) Continuation of the standardisation and innovation committee work and
(4) Organisation of activities beyond TU1402.

Deliverables

The deliverables of the TU1402 Final Workshop are:

1. Factsheets and presentations summarising the Working Group outcomes. A factsheet template will be distributed for preparation.

2. Plan for completion of the deliverables, and for the Final TU1402 Report and the Final TU1402 Conference

Dates

18. and 19. October 2018

Venue

Tasos Papadopoulos Amphitheater 1
Cyprus University of Technology, Limassol, Cyprus (see also Venue, travel and accommodation information)

The dates of the workshop are falling within a high tourism season for Cyprus; same dates of workshop different global events will take place in Limassol. Lots of hotels are already fully booked for the specific dates of the workshop. ***It is highly recommended a very early hotel booking.***

Travel information

Two airports are operating in Cyprus in two different cities than Limassol, Larnaca and Pafos. Direct flights between different European cities and both airports are operated daily. Both airports are in a distance of around 65 km to Limassol downtown. It is suggested to use a bus (e.g. http://www.cyprusbybus.com) or a taxi (COST rules apply) for travel between each of the two airports and Limassol downtown. A taxi will be around 55 euro (no booking is required).

The web links of the two airports for further information can be found below:

Larnaca airport: https://www.hermesairports.com/easyconsole.cfm/id/286/lang/en

Pafos airport:
